DIVISION 1 GENERALLY

Section 10-1-1 Purpose and Scope.

The purpose of this Article is to protect the health and safety of the citizens of the Town and to protect the environment by establishing minimum standards for the storage, collection, treatment, transportation, processing and disposal of Solid Waste and Recyclables.

Section 10-1-2 Definitions.

The following words, terms and phrases, when used in this Article, shall have the meanings ascribed to them in this Section, except where the context clearly indicates a different meaning.

“Alley” means a public passageway affording a secondary means of access to abutting property for utility, emergency and Solid Waste vehicles.
