

Alhambra School District No. 68

4510 North 37th Avenue • Phoenix, Arizona 85019

(602) 336-2920 • Fax (602) 336-2266

April 12, 2010

To Whom It May Concern:

I am pleased to write this letter of recommendation for Nina Dimitrov.

Ms. Dimitrov has worked in the Alhambra District since August 2009 as a junior high math teacher at Andalucia Middle School. Due to the budget situation in the state of Arizona, we have had to reduce our certified workforce for the 2010-2011 school year. Unfortunately, Ms. Dimitrov is part of this reduction in force.

In addition to her regular teaching duties, Ms. Dimitrov tutors 5 through 8 grade math students. She also works with special education students in the Success For All reading program. Ms. Dimitrov is the assistant coach for an after-school athletic program called "Girls on the Run". Ms. Dimitrov works very hard to motivate all her students by creating hands-on, relative, and interactive lessons that demand student engagement and success. Ms. Dimitrov is a team player, working to foster an atmosphere of high student achievement. Ms. Dimitrov has excellent student and parent rapport. Her enthusiasm, dedication, and positive attitude are evident in all that she does.

The Alhambra School District certainly would like to retain Ms. Dimitrov and, if Proposition 100 passes, we might be able to do so; however, I understand Ms. Dimitrov's need to seek another teaching position. I highly recommend her for any position for which she applies. If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read "James W. Rice".

Dr. James W. Rice
Superintendent
