To whom it may concern:

Foster Angels of Arizona Serving Together has had the privilege of having Nina Dimitrov as a volunteer with our organization. Nina has dedicated over fifty hours to volunteering with FAAST as a Tutor/Mentor for a child in foster care. Her care and commitment to the program exemplifies the true spirit of our mission in providing the extra support and guidance to children in need. If there are any questions concerning Nina's volunteer commit with FAAST, please feel free to contact me directly at the FAAST office.

Sincerely,

A handwritten signature in cursive script that reads "Diane Daily".
