

Nina~

The stars are shining  
just for you.

Believe in who you are.

I do.

I know how difficult things  
can be especially juggling a  
career and motherhood. I just  
wanted to let you know that  
I understand and that I am  
here for you if you need  
my help or a shoulder to  
cry on. Have a great day today!  
You are an awesome teacher,  
mom, and team member.

Nina
