Dear Ms. Dimitrov:

Congratulations! I am pleased to inform you that your vision field trip application to ASU Downtown has been selected for funding this school year. We received applications for over 4,100 students to experience vision field trips this year.

Funding has been approved for 1 bus(es) for your field trip. Please follow normal procedures for requesting bus(es) through the Transportation Department using the request form included with this letter.

I look forward to receiving input from you and your students (grades 4-8 only) following the field trip. Attached is a copy of the evaluation form to be sent to Dr. Anita White's office following your trip.

You are to be commended for your continuing efforts to offer your students a vision of higher education. Have a safe and successful trip.

Sincerely,

A handwritten signature in blue ink that reads "Karen".
