

EMERGENCY ORDER (2020-12) FOR CONTROL OF PANDEMIC FACIAL COVERINGS

This Order is made pursuant to Section 2453 of the Public Health Code, being MCL 333.2453.

In response to the ongoing public health emergency and the risk posed by a resurgence of COVID-19, matters concerning the public health of the residents of Oakland County have been brought to the attention of the Oakland County Local Health Officer. The Local Health Officer has determined that controls are necessary to reduce transmission of COVID-19 and to protect the public's health of Oakland County based on the following facts:

- A biological agent or the effects of a biological agent have been detected within **Oakland County**
- A communicable disease **Coronavirus which causes COVID-19** has been identified that can be transmitted from person to person.
- In order to control and limit the spread of the communicable disease, it is necessary to prevent infected people from coming into contact with uninfected people.
- The spread of COVID-19 can be reduced with cloth face coverings, social distancing, and staying home when sick.
- Center for Disease Control and Prevention advises that cloth face coverings are recommended as a simple barrier to help prevent respiratory droplets from traveling into the air and onto other people when the person wearing the cloth face covering coughs, sneezes, talks, or raises their voice. This is called source control.

It is hereby ordered that:

1. Any individual who leaves their home or place of residence must wear a face covering over their nose and mouth in the following instances:

 - d. Athletes training for, practicing for, or competing in an organized sport must wear a facial covering (except when swimming) or consistently maintain 6 feet of social distance (except for occasional and fleeting moments).

2. Although a face covering is strongly encouraged even for individuals not required to wear one, the requirement to wear a face covering does not apply to individuals who:
 - a. Are younger than five years old, though children two years old and older are strongly encouraged to wear a face covering, pursuant to guidance from the Centers for Disease Control and Prevention (“CDC”);
 - b. Cannot medically tolerate a face covering;
 - c. Are eating or drinking while seated at a food service establishment;
 - d. Are exercising when wearing a face covering would interfere in the activity;

 - g. Are communicating with someone who is hearing impaired or otherwise disabled and where the ability to see the mouth is essential to communication;

 - i. Are at a polling place for purposes of voting in an election;
